ADDITIONAL PROVISIONS

Proofs of Claim.

A Proof of Claim must be timely filed by or on behalf of a priority or general non-priority unsecured creditor before a claim will be paid pursuant to this Plan.

A secured real estate mortgage creditor shall be paid directly by the Debtor(s) for all post-petition payments as they become due, whether or not a Proof of Claim is filed. Pre-petition claims of a secured real estate mortgage creditor will not receive any payments from the Trustee unless a Proof of Claim has been filed.

A CLASS 3 or 4 secured creditor must file a Proof of Claim before a claim will be paid pursuant to Plan. Pursuant to sec. 507(a)(1), payments on domestic support obligations (DSO) and payments on loans from retirement or thrift savings plans of the type described in sec. 362(b)(19) falling due after the filing of the petition shall be paid by Debtor(s) directly whether or not a proof of claim is filed or the Plan is confirmed, unless agreed

otherwise.

A Proof of Claim, not this Plan or schedules, shall determine amount and classification of a claim. Pursuant to sec. 502(a) such claim or interest is deemed allowed unless objected to and the Court determines otherwise.

<u>Claims provided for by the Plan</u> - If a claim is provided for by this Plan and a proof of claim is filed, payments shall be based upon the claim unless the Court enters a separate Order determining (i) value of the creditor's collateral; (ii) rate of interest; (iii) avoidance of a lien; (iv) amount of claim, or (v) classification of a claim. If interest is required to be paid on a claim, the interest rate shall be paid in accordance with the Order Confirming Chapter 13 Plan or such other Order of the Court which establishes the rate of interest.

<u>Claims not provided for by the Plan</u> - If a claim is not provided for by this Plan and a Proof of Claim is filed, no payment will be made to the claimant by the Trustee or the Debtor(s) until such time as the Debtor(s) modify the Plan to provide for payment of the claim. Such claim or interest is deemed allowed unless objected to

and the Court determines otherwise. If no action is taken by the Debtor(s), the Trustee may file a Motion to Dismiss the case or a Trustee's Modified Plan.

Fees and Administration Expenses.

Trustee's fees. Trustee fees shall be calculated at 10% of payments made under the Plan, whether made before or after confirmation, but excluding payments made directly by Debtor(s), as provided for by the Plan, to CLASS 1, CLASS 2 or Class 6 creditors or pursuant to an executory contract or unexpired lease.

Compensation of Former Chapter 7 Trustee. Payment of compensation of the type described in sec. 1326(b)(3) shall be limited to the greater of \$25, or 5% of the amount payable to non-priority unsecured creditors divided by the length of the Plan, each month for the duration of the Plan.

Administrative expenses. Except to the extent the claimant agrees to accept less, and unless section sec. 1326(b)(3)(B) is applicable, approved administrative expenses other than Trustee's fees and Debtor(s) attorney fees shall be paid in full.

Debtor's attorney's fees. The debtor(s) attorney's fees, costs and filing fees in this case through Confirmation of the Plan shall be: \$4800. The sum of \$900 has been paid to the attorney prior to filing petition. The balance of \$3900 shall be paid through the Plan. If fees and costs stated above are in excess of 16 Hours X \$300 (hourly rate), plus \$274 filing fee, then such costs and fees must be approved by the Court. However, all fees are subject to review and approval by the Court. Attorney's fees are paid though the Plan in accordance with section entitled: Payment of Claims, Administrative Fees and Costs and Distribution of plan payment. It is contemplated that Debtor(s) will continue to utilize services of their attorney to completion of Plan or until the attorney is relieved by Order of the Court. Debtor(s) may incur additional attorneys fees post-confirmation estimated in the amount of \$1,000. Such additional estimated attorneys fees are included in this Plan for payment by the Trustee and do not render the Plan infeasible. Any additional attorney's fees and costs after confirmation must be paid through the Plan only after approval of the Court.

Payment of Claims, Administrative Fees and Costs, and Distribution of plan payment.

After confirmation of this Plan, Trustee shall pay as funds are available in the following order unless stated otherwise: Trustee's fees; adequate protection payments until confirmation; administrative expenses including attorney's fees; pre-petition CLASS 2 claims, CLASS 3 and CLASS 4 secured claims as provided for in the Plan; CLASS 7 priority claims until paid in full; CLASS 8 sec. 1305 post-petition claims; CLASS special class unsecured claims; and CLASS 10 general non-priority unsecured claims.

The portion of the monthly plan payment allocated for administrative expenses shall be distributed first on account of the monthly dividend due to a former chapter 7 Trustee, then to holders of remaining administrative expenses. When all administrative expenses have been paid, monthly projected disposable income shall be distributed pro rata, first to holders of Class 7 unsecured claims and then to holders of Classes 8 & 9 unsecured claims

Adequate protection payments. Prior to confirmation, Trustee shall pay on account of each allowed CLASS 3 claim secured by a purchase money security interest in personal property an adequate protection payment as required by sec. 1326(a)(1)(C) commencing the month after the petition is filed provided that a Proof of Claim has been filed and payment has been provided for in this Plan. Adequate protection payments shall be disbursed by the Trustee in connection with the customary disbursement cycle beginning the month after the petition is filed. The Creditor shall apply adequate protection payments to principal and interest consistent with this Plan.

Vesting of property. Any property of the estate scheduled under section 521 shall revest in the Debtor(s) until such time as a discharge is granted. In the event the case is converted to a case under Chapter 7, 11, or 12 of the Bankruptcy Code, or is dismissed, the property of the estate shall be determined in accordance with applicable law. **Debtor(s)' Duties.** In addition to the duties imposed upon Debtor(s) by the Bankruptcy Code and Rules, the Local Bankruptcy Rules, and the General Order, this Plan imposes the following additional requirements on Debtor(s):

(a) **Transfers of Property and New Debt.** Debtor(s) is prohibited from transferring, encumbering, selling, or otherwise disposing of any personal property with a value of \$1,000 or more, or real property with a value of \$5,000 or more, without first obtaining court authorization. Debtor(s) shall not incur aggregate new debt exceeding \$1,000

Case: 08-24207-bth Doso34: Fintered 67/17/09/2008:29 Page 7 of 8

without first obtaining court authorization. A new consumer debt of less then \$1,000 shall not be paid though this Plan absent compliance with sec 1305(c).

- (b) Insurance. Debtor shall maintain insurance as required by any law or contract and Debtor(s) shall provide evidence of that insurance as required by section 1326(a)(4).
- (c) Compliance with applicable non-bankruptcy law. Debtor(s)' financial and business affairs shall be conducted in accordance with applicable non-bankruptcy law including the timely filing of tax returns and payment of taxes.
- (d) **Periodic reports.** The Debtor(s) shall provide Trustee with a copy of any personal federal tax return filed while the case is pending accompanied by W-2 forms and 1099 forms. Upon Trustee's request, Debtor(s) shall provide Trustee with other tax returns filed while the case is pending and quarterly financial information regarding Debtor(s)' business or financial affairs.
- (e) In addition to the documents required by the Bankruptcy Code and Local Rules, Debtor(s) shall provide to Trustee no later then the first date set for the 341 meeting: (1) written notice of the name and address of each person to whom the Debtor(s) owes a domestic support obligation together with the name and address of the relvant State child support enforcement agency, (2) a wage order if requested by Trustee, and (3) IRS Form 8821 and IRS Form 4506.
- (f) **Documents required by Trustee prior to Debtor(s)' Discharge.** Within 30 days of completion of the Plan, the Debtor(s) shall provide in writing to the Trustee: (1) the name and address of each person to whom the Debtor(s) owes a domestic support obligation at that time together with the name and address of the relevant State child support enforcement agency, (2) current address of the Debtor(s), (3) name and address of Debtor(s)' current employer,
- (4) name of each creditor whose claim was not discharged under 11 U.S.C. 523(a)(2), (5) the name of each creditor whose claim was reaffirmed under 11 U.S.C. 524(c), and (6) certificate of completion of an instructional course in Personal Financial Management.

Remedies on default. If Debtor(s) defaults in the performance of this Plan, or if the Plan will not be completed in 60 months, Trustee or any other party in interest may request appropriate relief by filing a motion and setting it for hearing pursuant to Local BK Rule 9014. This relief may consist of, without limitation, dismissal of case, conversion of the case to Chapter 7, or relief from the automatic stay to pursue rights against collateral. If, on motion of a creditor, the Court terminates the automatic stay to permit a creditor to proceed against its collateral, unless the court orders otherwise, Trustee shall make no further distribution to such secured claim. Any deficiency claim remaining after the disposition of the collateral shall be classified as a CLASS 10 unsecured claim provided a proof of claim or amended proof of claim is timely filed and served on Debtor(s) and Trustee. Such deficiency claim shall be paid prospectively only. Chapter 13 plan payments previously disbursed to the holder of other allowed claims shall not be recovered by the Trustee to provide a pro rata distribution to the holder of any such deficiency claim. Creditors shall release lien on titles when paid pursuant to sec. 1325(a)(5)(B). A holder of a claim shall retain its lien until the earlier of (a) the payment of the underlying debt determined under non-bankruptcy law, or (b) discharge under sec. 1328; and if the case under this chapter is dismissed or converted without completion of the Plan, such liens shall also be retained by such holder to the extent recognized by applicable non-bankruptcy law. After either one of the foregoing events has occurred, creditor shall release its lien and provide evidence and/or documentation of such release within 30 days to the Debtor(s).

Plan Payment Extension Without Modification. If the Plan term does not exceed 60 months, and CLASS 2, CLASS 4, CLASS 7, CLASS 8, and CLASS 9 claims are filed in amounts greater than the amounts specifically stated herein, Debtor(s) authorizes the Trustee to continue to make payments to creditors beyond the term of the Plan, such term not to exceed 60 months. The Debtor(s) shall continue to make plan payments until the claims, as filed, are paid in full or the Plan is otherwise modified.
